## SALUTE FOR DUKE IN QUEBEC

Arrival by plane in Quebec City from Churchill, Man., found the Duke of Edinburgh in uniform again to inspect the Royal 22nd Regiment. A 100-man guard and a 21-gun salute greeted him on arrival. —Central Press Canadian

## Bulletin

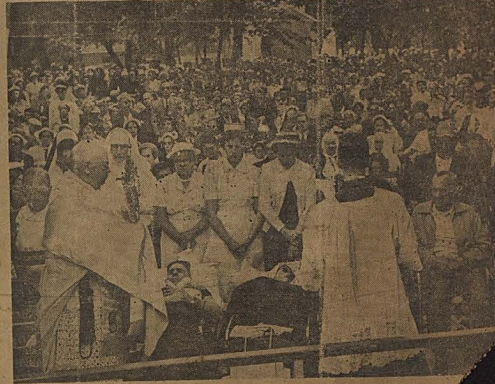

We have been advised that the LaSalle Fire Department will not answer fire calls or provide fire protection to the Township of Sandwich West after 11 a.m. on Thursday, August 19. The Mayor advised the Township of Sandwich West, and a registered letter was dispatched to the Reeve, Mr. Lawrence Brunet. Mayor Ruester also advised the LaSalle Fire Chief, Mr. Jack Wells that he would be held responsible, if the fire equipment were taken out of the town.

The reason for the action is the lack of an agreement between LaSalle and Sandwich W. Such an agreement is vitally necessary for the protection of both parties concerned.

## Tender's Accepted

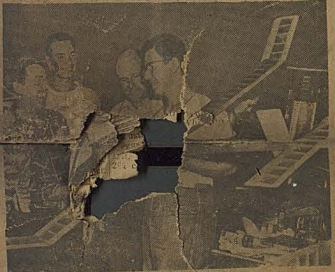

Tenders for a six room Separate School, for the Town of LaSalle have been advertised. The school will be located on George Ave. next to the Sacred Heart Church, in LaSalle and is being designed by J. C. Pennington, Architect.

## 50,000 ATTEND MARIAN CONGRESS IN QUEBEC

During the outdoor benediction ceremony at the Marian year celebrations at Cap de la Madeleine, Que., Cardinal McLaughlin of Toronto holds the monstrance while the assembled crowd, some of them sick and crippled, recite the greatest 50,000 attended the greatest Catholic gathering in years. —Central Press Canadian

## CANADIAN LAD WINS GLIDING HONOR

Gareth Laidler, 17, of Windsor, Ontario, holds the glider which won him first place in the class of the U.S. naval air station at Greatview, Illinois. The glider, called "Tore-Todds," is of original design. —Central Press Canadian

## Councillor Totten Assures Higher Water Pressure

According to Councillor Maynard Totten of the Township of Sandwich West, water engineers in the township can expect their pressure to be better, when Windsor completes installations which are contemplated at this time. The township has a quarter-million dollar, single pipe (overhead tank) which will be erected at the corner of Josephine and Sheppard in Windsor, and the completion of the new inlet tube, which is stand-by emergency equipment for raising pressure when it is extremely low.

## TEN RULES FOR HOTEL FIRE SAFETY

### New Sub-Post Office Located In South Windsor

Establishment of a complete sub-post office to be located at the corner of George Ave. and 1225 Grand Marais West was announced Tuesday, August 16 by Don Brown, M.P. for Sandwich West. This location in the heart of the South Windsor area is an ideal spot for the sub-post office, and will be a great help to the people of the surrounding area.

General delivery mail service will be provided. The Sub Postmaster to be Mr. George Robinson, and the service will be provided immediately. Area residents will be relieved to know that now they will be able to pick up mail and post letters, and also obtain stamps and money orders from the new Sub office instead of having to come all the way to Windsor.

According to Mr. Brown, the post office department is prepared to inaugurate house-to-house delivery service on MacKay Ave. as soon as the road is improved and pathways are installed to individual homes on the street.

## Men's Bowling League

The Men's Bowling League of LaSalle all 24 teams strong will begin their season on Wednesday night, September 1st. There's a little change in the league, one team has withdrawn, and one team has been added.

- Rule 1: Call the Fire Department promptly — investigate afterward. The fire department would rather answer 100 alarms and find no fire than guess and be misled in flames.
- Rule 2: Have enough emergency fire-extinguishing equipment on hand. But remember this is only "first-aid" equipment, and for incipient fires only.
- Rule 3: Hold regular fire drills with your employees. Make sure they know where equipment is located, and that they know how to use it. But remember, knowing how to operate emergency equipment does not make your staff a trained fire force. It takes trained firemen to cope with a real blaze.
- Rule 4: Examine regularly all emergency equipment — extinguishers, hoses, sprinkler systems — and be sure they are in working order.
- Rule 5: Keep fire and smoke doors closed at all times.
- Rule 6: Keep all fire exits free of junk and other debris.
- Rule 7: Good housekeeping is good fire protection. Check regularly, and keep clean such fire hazards as: kitchen flues, paint storage rooms; carpenter shops; etc.; linen and mattress storage rooms; chimneys.
- Rule 8: Conduct a flashlight quest fire-prevention program by using clever signs warning against smoking in bed, warning against careless use of matches.
- Rule 9: Make sure there are plenty of ash trays for guests.
- Rule 10: Operate a safe hotel, follow the recommendations of your local fire department. Don't try to get by by being simply within the law, go one step better and comply beyond the margin of safety.

This information comes from The LaSalle Fire Department

## Rites in Glebe Road United Church

Of interest here is the recent wedding in Glebe Road United Church, Toronto, to the Rev. Parr united in marriage, Miss Elizabeth Rose Adie, daughter of Mrs. John Adie of Toronto to Mr. Clayton J. Miner, son of Mr. and Mrs. Lloyd Miner of Continental Street, Sandwich, Windsor.

Attending the wedding from this area, were members of the Miner family, Mrs. Harry Lancaster, and Mrs. James Duncan.

## VICTORIOUS EASTERN DRIFTERS

Opening their three-game eastern exhibition tour with an impressive 18-7 victory over Toronto Argonauts, the Edmonton Eskimos advanced toward Ottawa for their Aug. 18 date with the Rough Riders. The Eskies fielded a power-packed team, and using the split-T and split-T, baffled the confused Southerners. Here Edmonton's alternate quarterback, Bertie Flannery, nabs Arrow Dick Shatto, 88, also a newcomer to the Canadian gridiron scene. —Central Press Canadian

## Sandwich West Dog Pound Report

Sandwich West dog pound report for July:  
 45 dogs picked up; 3 dogs sold;  
 3 dogs reclaimed; 2 dogs impounded at the end of the month; 37 dogs destroyed;  
 3 dead dogs picked up.

It is felt by Mr. Hayes, Animal Warden that the majority of the 45 dogs picked up were dogs which had been abandoned in the township.

## Award Winner

The winner of the three dollar gift certificate from Charities Ladies Wear LaSalle for the week ending Saturday, August 7th is Mrs. Norval Benetueu of Seminoe St., LaSalle, and for the week ending Saturday, August 14th Evelyn Hall of Westminster Street, LaSalle.

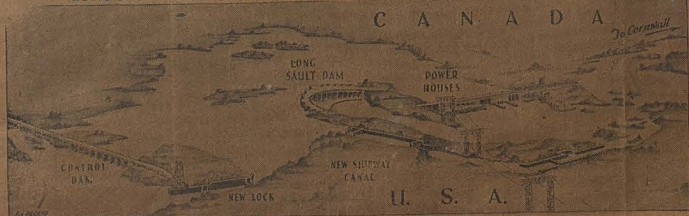

## Home On Furlough

Donald and Ronald Meloche, twin sons of Mr. and Mrs. Leo Meloche of Wabnetta Lane, LaSalle have been home on two week furloughs from their Canadian Army Stations, and left on Sunday, August 16th, to return to base.

Paratrooper Ronald Meloche made his six jumps and feecily, his paratrooper wings at Rivers, Manitoba and will return to base at London, Ontario, where he will be part of a guard of honour for the Duchess of Kent visit on September 1st. He will return home at the end of September for a terminal leave before being shipped out.

Pie Don Meloche was on leave from London, Ont. and he returned to London, Where his next destination is, was not known at this time.

## LONG SAULT RAPIDS FIRST TO DISAPPEAR IN ST. LAWRENCE PROJECT

Fifty years of international discussion, dreaming and disagreement have been just a memory as the first work on the \$400,000,000 St. Lawrence river project commenced on both Canadian and U.S. sides of the river. First problem that engineers are tackling is the diversion of the water at the site of the historic Long Sault Rapids. When disturbed, the rapids will have disappeared. Electric power from the project will be delivered in 1959. Rockets from the U.S. side signalled work had begun there. —Central Press Canadian

## Celebrate 60th Wedding Anniversary

Mr. and Mrs. C. W. Chesire of Howard Ave. Roseland, were honoured at a family dinner and reunion at their home on Sunday, August 15, in celebration of their 60th Wedding Anniversary which was on Thursday, August 5, and Mrs. Chesire's three sons and five daughters were present for the occasion, coming from Toronto, Hamilton and Detroit. They also have 15 grandchildren and 20 great grandchildren.

## Engagement

The engagement is announced of Miss Marie-Anne Benetueu, daughter of Mr. Albert Benetueu of Amherstburg, to Mr. Edmond Seguin, son of Mr. and Mrs. Albert Seguin, Essex. The marriage will be solemnized at 9:30 a.m. (D.S.T.) on Saturday, September 4th at St. Joseph's Church, River Canard. Miss Benetueu is a former teacher at Sacred Heart School in LaSalle.

## Present Gift To Mr. and Mrs. McBride

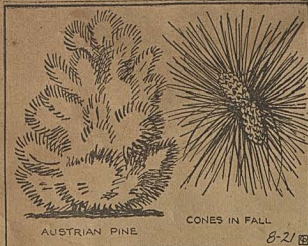

Mr. and Mrs. Hector Sutherland, formerly of Church Street, and now residing on Schofield Avenue, Roseland, entertained the choir members of Calvary United Church, The Rev. J. C. Hinchwood presented Mr. and Mrs. Lorne McBride with a gift. The McBrides are leaving shortly to take up residence in Hamilton.

# Weekly Garden-Graph

By DEAN HALIDAY  
Released by Central Press Canadian

Since this is the time of year to plan the planting of evergreens and to order them, especially large pines, firs and spruces, it is also the time to warn that many people make the mistake of not giving evergreens the proper amount of show room. Tall growing evergreens should not be planted close to a house. It is better to use them for specimen planting. This means they should be properly placed and spaced in an open lawn. Pines and spruces require a great deal of room. If crowded they soon lose their beauty. Most pines and spruces reach a height of from 40 to 60 feet at maturity. One of the boldest and handsomest of the species is the Red Pine, *Pinus resinosa*, with its long, dark green needles. Even more decorative in a picturesque sense is the Austrian Pine, *Pinus nigra*, shown in the accompanying Garden-Graph. It is extremely hardy and a very rapid grower. The Austrian Pine is also interesting in bloom in the spring and again in the fall when it bears cones, as shown in the Garden-Graph. Rugged and irregular in outline, the Scotch Pine, *Pinus sylvestris*, is fast-growing and makes a splendid wind-break. The Norway Spruce, *Picea excelsa*, is probably the most widely planted evergreen in this country. Relatively quick-growing, it is excellent for mass grouping in full sun. Pine trees can be grown where the soil is too light, sandy and dry for firs, spruces and hemlocks.

## THE OLD HOME TOWN

## VACATIONING

Mr. and Mrs. Bert Chapman and their children of Front Road, LaSalle, have returned from a three week vacation in California.

Miss Catherine Marette of Grand Marais Drive, South Windsor and Miss Marion Warnock of Sandwich are vacationing in Daytona Beach Florida. They left on Saturday, July 24 by train and after a three week sojourn in the Sunny South, Miss Marette will fly home on Sunday, August 22.

Mr. and Mrs. Paul Goff have returned to their home in Sulphur, Oklahoma, after a visit with Mr. John C. McGuire of Alexandria Blvd.

Mrs. Harold McLeod of Calgary, Alberta, was the guest of Mr. and Mrs. Roy E. Lane of Sunset Blvd. for a few days recently. She went on to Bothwell from here.

Mr. and Mrs. Lawrence Vaughan of Malden Road, Sandwich West and Mr. and Mrs. Gerry Dupuis of Riverside have returned home after a two week vacation in Florida. The trip was made by motor, and was a most enjoyable one.

Mr. Glen Cooper, son of Mr. and Mrs. H. Cooper, Front Rd., LaSalle, is spending a two week vacation in Brandon, Manitoba. Glen drove to Brandon and on the way was to stop at the home of Mr. and Mrs. Bert Ash, in Winnipeg. Glen is hoping to be in Winnipeg at the time of the wedding of Miss Joyce Ash in August. The Ashs are former LaSalle residents.

Mr. and Mrs. Stewart Carter and their daughters, Penny and Pamela, have returned to their home on Curry Ave., South Windsor, after spending a two week vacation at Bracebridge in the Muskoka.

Mrs. Jean Crawford of Roseland left by plane recently, for an extended visit with her daughter, Mrs. Jack Squire of London.

Mr. and Mrs. John Horton and son David of Main St., LaSalle, have returned home after spending 2 weeks in Brooklyn, New York.

## Fashions

Gentle, fluid lines lend distinction and grace to dress and skirt for fall. The fabric is quilted, a rich shade of coral beige with black silk braid edging weight to the side-slit collar. The skirt is gathered and styled in shape and has pockets slashed into side seams. It's the sort of dress that is unobtrusively smart and so fills many uses for many occasions.

## Ruttle-Eagleson Rites In Toronto

At an afternoon ceremony in St. Paul's Anglican Church, Toronto, the Rev. Dr. Cecil Swanson united in marriage Miss Joanne Jane Ruttle, daughter of Mr. and Mrs. Joseph Wickens Ruttle of Bruce Ave., South Windsor, and Mr. David Allan Eagleson, son of Mr. and Mrs. James Norman Eagleson of Edmonton, Alberta.

Given in marriage by her father, the bride was lovely in a gown of French organza with inserts of embroidered organza.

Miss Gwen Beamish was the maid of honour, and Mrs. Sherwood Cath was the bridesmaid; they were both gowned in pale green organza.

Mr. Ross Macmillan was the best man, Mr. Jack West, Mr. Bill Ruttle and Mr. Jack Ruttle, brothers of the bride were the ushers.

Attending the wedding from this district were, besides the immediate family, Mrs. Fred Handisides, Mr. and Mrs. Fred Mitchell and Miss Dorothy Mitchell. The young couple will reside in Toronto.

## Mr. F. Mansfield Enrolled In Special Course

Mr. Norton F. Mansfield of teacher in the Malden Road Public School, South Windsor, will be among seventy-five teachers from forty-two centres throughout Ontario, who will be enrolled in the special Course in School Administration and Supervision, being held at Queen's University, Kingston, from August 16 to August 27. The Course is sponsored by the Ontario Public School Men's Teachers' Federation.

The staff of instructors is drawn entirely from the ranks of the federation membership, and all are outstanding principals or experts in supervision.

## Engagement

Mr. and Mrs. Harold Burton of Rosand announce the engagement of their daughter, Charlotte Elizabeth, to Mr. Douglas Earl McGinnis, son of Mr. and Mrs. Cecil McGinnis of Iroquois Street. The wedding will take place on Saturday, August 21, at 2:30 p.m., in St. James Anglican Church, Rosand.

## LaSalle Fire Dept. Respond To 7 Calls in Sandwich W.

The number of fire calls answered by the LaSalle fire department, the Township of Sandwich West for the first six months of 1954, was seven. The amount of damage done to property was so small as to be negligible, because of the rapid response to the calls.

## CONT. FROM PAGE 3 - Sandwich West Council Meeting

what the Council was hoping for. If Mr. Gumprecht loses his appeal, it is the intention of the Sandwich West Board of Health to lay a charge, each and every day until the offender removes the cause of the charges, which in this case is the slaughter house.

According to information from Mr. McHenry of the Ontario Hydro, the legal steps required for the township acquiring its own power distribution system (H.E.P.C.) should be adhered to. The first step in this direction is to see if a debenture issue can be floated for the purchase of the system. The Sandwich West Council instructed the solicitor to prepare a bylaw for the township for the borrowing of a million dollars.

There will be a utilities discussion meeting with the town of Riverside on Thursday, Aug. 19. The case of Mr. Pilon moving back into a house on Boufford Road, Sandwich West after it had been condemned by the Board of Health was brought up for discussion. Legal opinion on the case revealed that there should be no action taken in court, since it wasn't needed. All that should be required, is a member of the Board of Health, supported by any help necessary, and the occupants could be evicted, with force if need be.

Likewise the Hall family, living in the condemned building on Huron Line, had had sufficient notice and could be forcibly evicted, by the Board of Health and whatever officers were considered necessary.

The Imperial Oil Company Ltd. on the corner of Dougal and MacGregor Blvd. objected to the closing of an alley, pursuant to the installation of the Gas Regulator Building. Because of this the entire site has been changed.

Mr. Mitchell inquired about drainage plans for the extension of Ouellette Ave. in Sandwich West. This could be drained to Dougal Ave. The Council requested the township engineer to prepare a report on area drainage west of Howard Ave. and East of Dougal Ave. from Edingborough north of Eugenie to Woodall's Driving Range.

The basin drain on Huron Line from the Courland Road to north of Kenora are filled in and the drainage is blocked and backing up. This is a Provincial Highway problem, and the township engineer was asked to get in touch with the provincial engineer at Chatham and ask him to check the situation at once.

A resolution from the Sandwich West Township Council requesting the Department of Highways to reconsider their proposed action against the Mid West Lumber Co. and grant them permission to remain in their present location until such time as the highway department needs the property for widening the highway.

## GRAND SLAM FOR MARLENE

—Central Press Canadian.

First woman to cop the Canadian ladies' close golf title four years in a row, petite Marlene Laine, 20, is congratulated by Norman Laine, left, of Toronto, who came in fourth in the tournament at Dartmouth, N.S. Miss Stewart, from Fonthill, Ont., captured the title with a 272 total (60-84 holes, nine strokes better than runner-up Dorothy Herbertson of Victoria, B.C. She then went on to win the Canadian ladies' open tournament for the second time in her career, defeating Mary Gay of Kitchener.

IDA BAILEY ALLEN

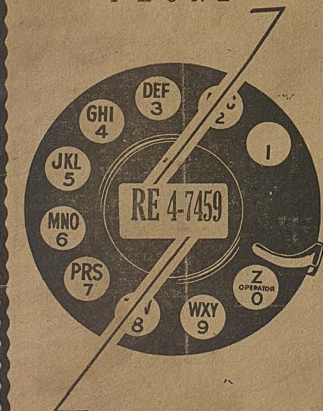

"Corn is truly a North American food. It was found growing on this continent by the first explorers. Corn was so important to the settlers that corn hunking bees were turned into social occasions by the farmers with neighboring families, as guests."

**Uses of Cornmeal**  
"Cornmeal was used by our forefathers. Instead of wheat flour, for cakes, breads and in many other dishes. And 'succotash' a combination of corn and beans originated by Indian squaws, was a favorite food."

**Tomorrow's Dinner**  
Vegetable Juice, Garlic Bread, Beef Steak, The Succotash, Caramel Custard, Hot or Iced Coffee, Raisin Milk, All Measurements, Recipes Vary, Best Steak Please.

**And Filling:** Shlightly beat with 1/2 c. sugar, 1/2 tsp. salt, and 1/2 tsp. vanilla. Stir in milk. Use as directed.  
**Trick of the Chef**

## Sandwich West Council Meeting - August 10th.

All members were present, and Mr. J. A. Kennedy solicitor for the township although on vacation, appeared for a part of the evening.

A solicitor appearing for Mr. Agostino Savone who owns lots 29 and 30 in plan 629, in Janisse Drive, requested permission for the installation of a three fourth inch water main. The distance being 180 feet from the main at Janisse Drive and Iroquois in a southerly direction. Mr. Savone would like to built right away. Permission was granted for this, subject to the owner signing an agreement with the township, that he will not oppose a main past his property when sufficient building makes it plausible.

A representative from the Maryland Home Owners Association, requested that the council was going to do about the fill dirt, from the ditch alongside the park. At the present time the Township Council would like to keep the fill since they intend to put drainage creek 1/4 mile along the park, and use the fill dirt for back fill thus eliminating the open ditch, and fall in the edge of the park.

A request for a drinking fountain for the V. L. A. park in the Oliver Street was made by the Maryland Home Owners Association. The Council stated that they have no drinking fountains but if the Association wanted to buy one the Township will put in the water connection and make them responsible for it. That is it will be equipped with a key and the Maryland Home Owners Association will turn it on and off, so that drinking water will be available for ball games etc.

The hard topping on the remaining roads in the Oliver Street (Maryland) should be finished by the end of this month.

There has been no word back regarding the water main on Ontario Street, but since it was sufficiently signed, there will be no delay, other than the vacation period slow down in Toronto.

A petition was presented to the Sandwich West Township Council with the names of 14 signers wanting the name of Dominion Blvd. changed to Mount Carmel Blvd. It was pointed out to the petitioner that the petition would have to be more fully signed, since the street extended the full length of township. Also that quite a large expense is involved, since the name would have to be changed in all township records, on street signs, and billing machines for taxes and utilities. However, if all the people on the street with the name changed, it will be seriously considered.

Mr. Mroup inquired as to the whereabouts of the petition for the closing of Richards from Virginia Park to Norfolk this at this time, having been completed, and is in process of being closed. There has been no confirmation of whether or not township will be able to donate to the Paulin Memorial Presbyterian Church, for the purchase price of \$100 some lots adjacent to the proposed church site. When this is confirmed, there will be no objection to exchanging them for a more advantageous location.

The signs for the controlling of speeding in the Township of Sandwich West should be ready by the end of the week, and the survey on the streets will be carried out immediately, and the signs erected. The speed

limits will then be strictly enforced, and to this end a short time ago, an additional Provincial Policeman was hired for the traffic detail. There is now full 24 hour traffic control for the township.

The petition for a water main on Alberta Street from Malden Road to Waterloo Street has now been filed. A motion was passed by the council to have the township engineer, Mr. Fletcher, prepare a report on this proposed main.

An offer was received to purchase the debenture issue being floated by the Township. This is an indication that confidence has been restored in the solvency of the Township of Sandwich West.

The Canada Trust Co. petitioned the Sandwich West Township for the deed to a small portion of land, about a hundred square ft. in Block A, Plan 1302. They have paid taxes on it for some years. The Canada Trust Co. was represented by Mr. Seaton.

## Canadian Appointed U.N. Truce Supervisor

—Central Press Canadian  
Major-General E. L. M. Burns is the newly appointed Canadian chief of staff of the United Nations Truce Supervision Organization in the Middle East. General Burns, former deputy minister of the department of veterans affairs, succeeds Major General Vagn Benjike of Denmark, whose appointment was for one year.

## Fire Preservers

Labels were placed, yellow and red, on the sides of the truck, and the fire preservers were instructed to keep the truck in the line to prevent accidents.

Council moved a resolution to have this area decided to the Canada Trust Co.

The Sandwich West Township Council moved a resolution, to make an offer of \$100.00 a piece for the 15 lots, which are located in the new park site. All the owners are non-residents and the township plans to expropriate any of these lots not available by sale.

The solicitor has prepared briefs for the closing and re-subdividing of Richards from Virginia Park to Norfolk, which will include the closing of the alleys and the submitting of a new plan of subdivision as it affects existing plans 1305, 1300, 1328 and 1338.

Sandwich West Council moved to close the whole alley in Plan 1328, from Lafitte to Rankin back of the lots facing on West Grand Blvd., on the South side. A petition had been submitted to close the alley from Rankin to Hamilton, but it was decided to close the whole length, to reduce administration costs. In this manner the alley can be closed in its entire length at approximately the same cost as closing one section. Eventually each section would be closed separately anyway.

A letter from the Town of LaSalle, requesting that the township of Sandwich West pay a charge of \$150.00 per fire to the LaSalle Volunteer Fire Department, for the use of their services, including the manning of the equipment by the LaSalle Volunteers, was read. After discussion the Township decided to offer LaSalle a flat rate of \$500.00 for the year of 1964.

The Township decided to have representative from the Ontario Fire Marshall's office down to the township of Sandwich West regarding a survey for fire protection. The township is seriously considering the equipment in the near future. There has already been some preliminary work done regarding the manning and garaging of vehicles.

Mr. Max Gumpich, the proprietor of the packing house, in Sandwich West, that has been sued by the Board of Health for infractions of the Health Laws, was found guilty by the court and a minimum fine of five dollars for the first offence was imposed. Mr. Gumpich, through counsel has filed an appeal, the hearing of which will be held on October 4. In the meantime Mr. Gumpich can make preparations for moving his place business.

—CONT. ON PAGE 2—

## SPORT SHORTS

By ROL GIGNAC

## SOFTBALL —

Friday evening, Sunnyside Hotel and Cornett Drugs clashed in a battle for first place, and the hotelmen were defeated by a 7 to 6 score.

The loss was a damaging blow to the Hotelmen as it eliminated them from the running.

The usual dominating Bill Moffat was the losing pitcher and Jack Eaves went all the way for the win.

The Hotel squad started out in great style as they scored two runs in the second inning, on a hit batsman and a line drive triple to left field.

For the losers Bob Tourangeau gathered two hits in four tries, and Norval (Big) Bennett getting one single in two attempts.

The bitter battle for the last playoff spot was continued on Wednesday evening as Ray's Barber shop encountered Bart Evans' and the Old Pros were turned back by a score of 8 to 3.

With Janisse was the winning pitcher and Bob Fiddler went all the way for the losers.

For Bart's loss was very costly one as they dropped behind by a half a game. Their only hopes now is that the Sunnyside Hotel Club can defeat the Crew Cubs as this would again tie the two last clubs and force a special game.

The Crew Cubs started out strong scoring five runs in the fourth inning and three more in the sixth, then playing fine ball to preserve the victory.

Janisse had a good night, getting seven and allowed only seven hits.

Outstanding performers in this contest were, for the winners, Wilfred Janisse, and for the losers, Lou Trepanier and Stan Reume, each collecting two hits in four tries plus turning in brilliant plays on the field.

The people, gathered from near and far for Friday evening to witness the battle of the year, as Sunnyside Garage and Cornett Drugs met in the final scheduled game of the year, both clubs sporting identical records — 10 wins and 5 losses — the ultimate winner to receive the Alma's Jewellery Trophy as League Champions of 1964.

The huge throng cheered as

the umpires yelled "Play Ball" then settled back to witness one of the best games of the season. The White Kids drew first blood as Paul Langlois singled to center field, stole second and scored as Clary Tourangeau drilled a double down the left field line. But the Garagemen tied it up to the third as Moe Drouillard reached first on an error and raced home on two infield out, and one infield single.

The tension rose with every pitch as the innings slipped by, and at the end of the seventh inning the score was still knotted at one all. The Garage squad could do nothing in their half of the eighth, but when the White Kids came to bat the tide turned.

First up was Don Forbes who walked, then Paul Langlois dropped a perfect bunt which Vince Hiller fielded and threw wide at one all. The Garagemen were able to advance.

The spectators, now on their feet were screaming hysterically as Clary Tourangeau stepped to the plate, took the first pitch for a ball, then on the second pitch blasted a home run to center field, scoring the three runs. Although the Garagemen rallied briefly in the ninth inning, the handwriting was on the wall. Cornett Drugs were the new league Champions. Manager Don Forbes was in near tears as he was congratulated by Manager Phil Cornett of the Garage squad.

Vince Hiller was the hurler and Don Reume was the catcher for the winners. Vince Hiller was the hurler and Don Reume was the catcher for the winners.

Glowing lights for the winners, for the losers, for the winners, for the losers, for the winners, for the losers.

Who told us that the winners, for the winners, for the winners, for the winners, for the winners, for the winners.

Cornett's

WOMEN  
The women, for the winners, for the winners, for the winners, for the winners, for the winners, for the winners.

Shirley Crapp and Rosie O'Gorman, picking duties for the winners, for the winners, for the winners, for the winners, for the winners, for the winners.

diets a victory next week in the big meet at Rosedale, for the winners, for the winners, for the winners, for the winners, for the winners, for the winners.

Congratulations To

## LaSalle Council Meeting -- Aug. 16th

The entire LaSalle Council were present at the August 16th meeting. The minutes of the August 3rd meeting were adopted as read.

An offer to purchase lot 1400 on Huron Street, in Plan 703 was made by Mr. Jack Menard. This is a single lot, and it was determined that Mr. Menard allude to lots 1202 and 1204 in this plan, so that this lot will be an extension of the property already owned. Approval was given to this offer to purchase, at the appraised value of \$110.00, subject to the Department of Municipal Affairs.

The Welfare Officers Association, a branch of the Ontario Municipal Association, will hold their Annual Convention in St. Thomas on August 23, 24, and 25 and have extended an invitation to LaSalle to attend. The discussions will take in the following subjects of importance to municipalities: Housing and Hospitalization for Senior Citizens of the Communities. LaSalle Council will request data and minutes of the Convention Subjects if no one from the LaSalle Council or Staff is able to attend. It was not possible to ascertain at the meeting if a representative from LaSalle will be able to attend.

A lengthy discussion regarding relief applicants in the Town of LaSalle was held, to try and determine if the Town could be held responsible for the housing of those having received their eviction notices during a time of employment. A full investigation of the entire subject is contemplated by the Council in the immediate future.

A letter from the Department of Municipal Affairs in regard to Building Bylaw 343 of the Town of LaSalle requires the addition of a schedule of permit buildings fees, which was overlooked by the town when bylaw was submitted. This will be sent immediately.

The Department of Municipal Affairs is conducting a short course in Municipal Affairs at the University of Toronto from September 13, 14, 15 and 16th. The course is available to Mayors, councils, town officers and members of Boards, free of tuition, and as a service to inform municipalities on the running and machinery of Municipal affairs.

The subjects to be taught include courses on Municipal Assemblies, General Procedure, Planning and Development, and Plans for General Land use. The invitation was extended by Hon. G. H. Dunbar, Department of Municipal Affairs. It was suggested that Assistant Town Clerk, Ted Seewald, might be able to attend for LaSalle.

The invitational letter to Dr. Lacharte, Mayor of Ville LaSalle, Quebec, to spend a day in LaSalle, has not had time to receive an answer. An invitation to the Mayor of LaSalle, Michigan, will also be extended to Mr. and Mrs. Don Brown, our Dominion representative after it has been ascertained which day Dr. Lacharte will be able to spend here. A fine international note and every good public relations for our town.

A serious discussion regarding hunting in the Town of LaSalle, which each year poses a more difficult problem, was held. Since more and more of the surrounding municipalities are prohibiting hunting in their limits, the increasing burden of these hunters falls upon LaSalle, until we are becoming besieged with outside hunters. A letter will be written to the solicitor, Mr. Don Morand, to determine if we may prohibit any but local hunters in the town limits. Letters will be sent to Riverside and Tecumseh to determine if any action they were able to take, and how it was worked out. Your Council is most anxious to take some action before hunters, especially the children of the community.

Mr. Gervais of Reamone Road, inquired if the Council was going ahead with the action on Reamone Road, and if they are would there be any possibility of having the fill from the ditch used to fill up the end of Adams Lane, where it is all marshy, and stagnant. Reeve Nutkins replied that the town is going ahead with the action on Reamone Road, but the first call for the back-fill would go to the abutting residents, any surplus could possibly be used for filling in Adams Lane.

Mr. Gervais also informed council that while he was away on a vacation trip, he happened on to a bargain in a 20-30 international Grader and found out pertinent information for the town. Also the fact that the police would be delivered in LaSalle. This was stated at St. Thomas, and council felt that Reeve Nutkins should go and look at it if possible, and since the Welfare Convention is also at St. Thomas, maybe he could take in part or all of that also.

The LaSalle Council and the LaSalle Chamber of Commerce will hold a joint committee meeting on Tuesday night, August 17 at the Town Hall. The subject to be mutually discussed include Planning and Development and Building Bylaws, for LaSalle. Both bodies being interested in the development of the town, it was felt that a good deal of ground work will be done.

Arrangements for the Town of LaSalle to change its banking facilities from the Bank of Montreal, Windsor to the new LaSalle Branch of the Dominion Bank, were made. The action was unanimous by the Council and is to be effected by September 1, 1964.

The whereabouts of some of the LaSalle Debutantes will be determined by next Council Meeting. It is hoped to make a bonfire in the Town Park with these.

Information on the mercury vapour light for the town will be brought to the next meeting of Council.

According to information received there are people living in a small store on Front Road. The Council will attempt to determine, who gave permission for this and if the property is adequate. It would have to comply with the minimum, 600 square foot area, required by the building bylaw. The building inspector was instructed to look into this situation and to report back to Mr. Leon Martin who is chairman of the committee.

The police report showed that there had been 11 speeders ticketed in the last two weeks by the police department. There were some complaints regarding the methods used by the department for catching the speeders but council felt that a tough reputation was an asset to the town-policy if it was instrumental in curtailing the speeding in the town limits.

The Council then went into finance and after meeting that the bills be paid, Council Adjourned.

Next Regular Meeting of the LaSalle Council will be held on Tuesday, September 7, since Monday is Labour Day.

## WANT ADS
